

YELLOW INVASION
WHO'S 'PASS' IS IT?

Donegall Pass is no longer a Protestant/loyalist area, it is commonly known as 'Chinatown' throughout our city and the people of the Pass are in the midst of losing the already small foothold they have in their community forever.

The Protestant people are rapidly becoming a minority in their own community.

If you walk from one end of the Pass to the other you would see the hoards of Chinese immigrants not to mention the vast amount of Chinese restaurants, wholesalers, travel-agents, garage, bookies and even a Chinese solicitors.

Apart from all these premises they own a substantial amount of land ready for future development. This is not to mention the community building they have in the Gasworks site.

They have access to Our community centre [*the centre that our community fought to get for many years*] more than we have access to it. The Chinese even had priority in the centre over the Somme society in the past.

The Chinese are now in the process of building their own community centre- *I wonder will the Donegall Pass community get offered the use of their facilities.*

These Immigrants occupy a vast amount of our houses stopping any Protestant families moving in that would be more beneficial for the betterment of our community in all aspects of community life.

The overwhelming mass of Chinese immigrants in Donegall Pass are driving our youth to move out of the area where they were reared, because they see no future for them in the Chinatown/Donegall Pass. The Chinese only take from our community and provide nothing for it. These foreign immigrants have no sense of Christian values or decency and have no respect at all for our community.

I firmly believe that it is our duty to defend our community and our Protestant way of life within it.

The influx of the yellow people into Donegall Pass has done more damage than 35 years of the IRA's recent campaign of republican propaganda and violence waged against the Protestant community of Donegall Pass.

It is eroding the Britishness and Ulster Protestant culture and heritage from our area- more than the IRA could have ever hoped to do.

The men and women of Donegall Pass have maintained a brave fight down through the years against republicanism, yet they let foreign immigrants take over their area without even so much as a protest. The forefathers of this community shed their Ulster blood on foreign battlefields in two world wars and at home in present day conflict to keep their communities free from foreign invasion, while we are now giving our community away to these Chinese immigrants. **SHAME ON US!**

By now you would think that we would have got used to the anti-Protestant propaganda from the press but still we squirm in fear of being branded a racist - if a racist is someone who puts their own people, culture and heritage first with a will to preserve their community as a Protestant area which our forefathers have shed blood and sweat for, then we should be proud to be branded a racist, for this is our duty- we have been called a lot worse in the last few decades.

The time has come to fight back before it is too late. Rid our community of these Chinese immigrants and clear the way for Protestant families to move in and our young people to remain and contribute in helping to make our community a better place to live.

Reclaim your area - give the Pass its Protestant and Ulster culture and heritage back.
